

Points to Ponder at Life Group:

1. In the Bible, there are stories (See Genesis 3 and then also Exodus 32.) about us being sinners, and then there are definitions of what it means to be a sinner (See Titus 3:3). Each helps us grasp being a sinner in different ways. How so?
2. The space between the head and the heart can be the longest trip on earth. Right now, in your life, what is more challenging for your heart to grasp: personal sin committed against God or personal grace received from God? Why?
3. The sermon gave three applications of the teaching of original sin. Of the three, which is most vital for you to remember in your life at this time? How about in the future? Why?
