

Points to Ponder at Life Group:

1. Look at the following sections of Scripture. Describe what the presence of the Lord brought to the journeys of the individuals involved: Genesis 28:1-22, Genesis 39:23, Exodus 3:12, 2 Timothy 4:17-18.
2. Agree or disagree: When the Lord's saving presence seems far from us, and something goes wrong, we should assume that we must repent like the Israelites did.
3. Share with the group how Christ's promise to go with you helps you continue confidently on your journey through this life (Be specific about the circumstances it addresses for you at this moment.).
