

Points to Ponder at Life Group:

1. The story that Jesus tells is a wake-up call to Christians. Look at the story just that way. What details in the story get to you and wake you up? Why?
2. The Bible speaks about being watchful in several different ways. Explore the following passages together to begin to get a wider view of what it means to keep watch for Jesus: 1 Cor. 7:29-31, Romans 13:11-14, 1 Cor. 15:58. What do you see?
3. Discuss as a group: what are the unique challenges we face as Christians who watch and wait in 2020?
